

INT. CLAIR'S HOME/KITCHEN - MORNING

CLAIR (45), body hidden in baggy sweats, daydreams. "*I Only Have Eyes For You*" plays. She drinks a protein shake resulting in a MILK MUSTACHE.

The song is abruptly replaced by "*Get Down On It*". Her reverie is shattered as TINA (21), hot, spandex workout wear, dances in, grabs a glass and pours from the blender.

Clair glares. Tina rips a paper towel from a rack, wipes off Clair's MILK MUSTACHE and exits dancing, annoying Clair.

INT. BODYBUILDER'S GYM/WORKOUT AREA - SAME MORNING

Tina bench presses. Clair sees MEN ogle Tina who racks the free bar, jumps up and poses for the MIRROR knowing men are ogling her. Clair's eyes narrow.

CLAIR
(to herself)
Slut.

Clair lays on the bench. Tina turns from the mirror to spot Clair who strains. Tina sees HARRY (28), buff. They wave.

He points giving her "thumbs up". Attempting modesty, she puts a hand to her chest as if to say "Who? Me?" He nods.

Clair struggles with the bar as Tina waves Harry away as if to say "Get outta here. You're lying."

CLAIR (CONT'D)
A little help here.

Harry shakes his head, points again giving her "thumbs up". Tina mouths "thank you". Clair, teeth clenched, loses the battle with gravity. The bar slowly pushes her arms downward.

CLAIR (CONT'D)
Whenever you're ready, Tina!

Tina helps Clair rack the bar. Clair stands giving Tina the look of death while releasing an angry breath.

TINA
No need to get testy, mom. All you had to do was ask for help.

CLAIR
I did while you were doing some kind of sign language with buff biff.

TINA
You mean Harry?

CLAIR
How can you tell? He shaves his body.
